- Hang time of 3 hrs plus with no warm up period required
- Haze fluid is odorless and leaves no residue when used properly

REEL
EFX^{INC.}

Enhance show lighting with the **DF-50 Diffusion Hazer**. The DF-50 provides a safe, economical non-glycol haze with no heat. The DF-50 produces haze with superior hang-time (3 hours+) while using less than two ounces of fluid per hour. That translates into a low operating cost of about a penny per minute. The DF-50 Diffusion Hazer does not require a warm-up period, and can run for 35 hours on 1/2 gallon (2 liters) of fog fluid. The fog fluid is odorless and when used properly leaves no residue. Accessories for this product include a remote control road case, traveling road case, auto timer, and auto fill.

Specifications:

- Motor: Brushless, AC, Ball Bearing
- Power: 110 - 125v / 4 Amp or 220v / 2 Amp, 50-60 cycle
- Dimensions: 14"H x 15"L x 8"W (36 x 38 x 21 cm)
